

We are a privately owned, electrical contracting business focused on the supply of safe, professional electrical services. Targeted at the domestic and commercial clientele, Xtreme Electrical has a proven track record and excellent reputation.

The foundation of our company is based on our belief in the values of integrity, commitment, pride in our work and personalized customer service to each client.

Many of our existing customers have been with us from the beginning due to our values and principles. The Xtreme team provides the expertise you need to guarantee that your electrical installation is according to the code and will operate properly. Our team is highly accustomed to working in occupied spaces and is known for its courteous and professional personality.

With unparalleled knowledge of electrical power management across industries, experts at Xtreme deliver customized, integrated solutions to solve our customer's most critical challenges.

X-TREME
ELECTRICAL
— PROPERTIES —
